We provide invoices and communicate with you smoothly and efficiently about the implementation aspects of the agreement.

You are not obliged to provide us with your personal data. If you provide us with insufficient or insufficient personal data, then it is possible that we can not perform the aforementioned activities.

### **Transfer to third parties**

We will not make your personal data available to third parties. We also use external server space for the storage of (parts of) our sales and purchasing administration, which includes your personal data.

Your personal data is therefore provided to our server room provider.

Because we use a newsletter mailing service, your personal data are finally passed on to the provider of this service.

We have a legitimate interest in the use of your personal data for this purpose, namely to market our products and services. Every time we send you an advertising mail, you have the opportunity to let us know here no more price to draw. See the unsubscribe link at the bottom of each mailing.

If you are a one-time customer with us, we will only send you advertising messages if you have given us your permission in advance.

### **Retention period personal data**

If you have requested a quote from us but you have not become a customer with us, we will delete your data no later than one year after our last contact. If you have become our client, we will retain your personal data for a period of seven years after the end of the financial year in which the agreement with you has been fully implemented. The seven-year period corresponds to the period in which we are obliged to keep our administration for the Tax Authorities. After this period we will delete your personal data.
